

Play+® Frequently Asked Questions

Please note:

The language a Gaming Operator uses on their website or mobile app may vary. For example, "Cashier" may show as "Deposit", "Withdrawal", "Top Up", "Cash Out", "Account", "Wallet", etc.

The steps outlined below may also vary slightly depending on the website or mobile app you are using.

The availability of the various methods to fund your Play+ Account is dependent upon the Gaming Operator and/or the applicable laws in the jurisdiction you are located in.

How do I sign up for a Play+ account?

Sign up for your Play+ ("Play+") account by logging into your gaming account and visiting the Cashier Page. Click the Add New button next to the Play+ funding option. You may need to input your Social Security Number and Date of Birth to complete the enrollment information. Verify your personal information is correct on the form, click to agree to Terms & Conditions, and click enroll. Upon successful enrollment, you will have the opportunity to add funds to the account immediately using a Bank Card, Online Banking, or PayPal. Once you have either withdrawn \$150 to your Play+ account or funded your Play+ account with \$150 or more, your personalized card will be mailed to your address on file within 10-14 days.

What are the benefits to using a Play+ account?

Play+ provides a fast and easy way to deposit and cash out while wagering online or in person with your favorite Gaming Operator. It is a great way to manage your money and can be used everywhere Discover® is accepted. Play+ has a very high approval rate when loading funds and is easy to use.

How does my Play+ account work?

With Play+, there is no credit limit and no credit check. Instead, the account's spending limit is determined by the amount of money you load onto the account up to the maximum balance. For example, if you load \$350, then the account will only allow you to spend up to \$350 (less any applicable fees). You can use your card for purchases everywhere Discover is accepted, add your card to a digital wallet, and at any ATM that accepts PULSE®, NYCE®, or MoneyPass®. You may also transfer funds from your Play+ account directly into a checking or savings account via the cardholder portal.

How do I fund my Play+ account with a Bank Card?

Fund your Play+ account by logging into your gaming account and visiting the Cashier Page.

- Select the Play+ funding option
- Enter the amount you wish to fund your Play+ account
- Select Bank Card Load
- Enter the Bank Card number you wish to fund with in the appropriate field
- Complete the security code and expiration date fields
- Verify that your funding amount is correct and Click Add Funds
- You may opt to save the card details for faster funding on future requests

You may be prompted to transfer funds directly into your wagering account. If not, please see the information below for assistance transferring funds.

My Bank Card was declined when attempting to Load Funds to my Play+ Account.

It is possible that the information that was supplied during the Play+ enrollment does not match the information on file at your Financial Institution. The Bank Card you are attempting to fund with must have the same address on file as the Play+ account. Please contact your Financial Institution to confirm the information that is associated with your Bank Card. If you need additional information or help, please contact us at <https://playplusgo.com/contact> with your inquiries.

Can I schedule a transfer frequency from my Bank Card to my Account?

You may opt to save a Bank Card as a funding source upon a successful funding transaction. However, due to the requirements of the payment processors, it will be necessary to select the Bank Card and input an amount to be funded for each funding transaction.
